A STRONG KPMA MEANS A STRONG PLACER INDUSTRY

The Klondike Placer Miners' Association represents the interests of all Yukon Placer Miners. **Your membership support keeps us working so that you can keep mining.** The KPMA is the only credible voice for the miner in the face of ever shifting government regulation. We need your support and the support of every claim holder and placer miner, no matter the size of your operation. Your annual membership is critical to the continued health of the placer industry in the Yukon.
